

## Fritz Müller alcohol-free

Fruity, semi-sparkling, alcohol-free.

Refreshing, fizzy and frivolous: completely uncomplicated, the alcohol-free Fritz Müller offers light-footed fun and fruity enjoyment. Vinified from the same grapes as the Fritz Müller semi-sparkling wine, this version entices sipping one or two glasses more without regret the next day. Wonderfully pure, it is best enjoyed chilled to 8°C, on the rocks, or as an ingredient in virgin cocktails.
