

Fritz Müller semi-sparkling pink

„ ...a semi-sparkling rosé for today's people with taste who want to catch a fast buzz without breaking the bank.“

BILLY WAGNER / sommelier at Weinbar Rutz, Berlin

Berries, invigorating, easy to drink.

Semi-sparkling, "the pink Fritz" comes from the German red-wine Portugieser and Spätburgunder (Pinot Noir) grape varieties.

Vinified rosé and effervesced, "the pink Fritz" refreshes best well chilled or on the rocks. Perfect with a sprig of mint for summer, sand and sunny spirits.

Description:

Bright pink with ruby highlights. Red fruit aromas such as red currant & raspberry. Vibrant citrus notes on the palate, fruit-driven with delicate spices and the dark berry aromas characteristic of these varieties. Pleasantly tingling.

total acidity: 6,9 g/l

residual sugar: 11,7 g/l
