2018 PFARRWINGERS Spätburgunder VDP.GROSSE LAGE

GROSSES GEWÄCHS

VDP.GROSSE LAGE distinguishes the highest quality German vineyards. This is where the best wines ripen with a complex taste, expressive character from the vineyard and a special aging potential. The VDP regional associations are very careful with the locations determined and precisely delimited. Dry wines from VDP.GROSSE LAGE are called VDP.GROSSES GEWÄCHS

THE VINEYARD

In Dernau, the Ahr valley widens after its narrow points and offers space for a steep valley basin in which the Pfarrwingert lies. The name of the vineyard goes back to the Catholic parish church of Dernaus, which is still the landowner in this parcel. The Particularly favorable southern exposure and slope, in combination with the easily warmer ground, lead to an advantageous microclimate in this location. This one occurring greywacke is a granular debris sediment, which with Slate fragments are baked into a sandstone-like structure. The Pfarrwingert brings extremely fragrant wines with subtle fruit and fine flavor pronounced minerality.

VINIFIKATION

Old vines, careful vineyard work, consistent yield reduction and careful hand-picking. Harvest the fully ripe, multiple selected grapes from one Yield of approx. 30 hl / ha, gentle processing, matured in barriques at one Storage time of approx. 16 months (70% new wood) followed by 6 months Bottle storage.

THE WINE

This wine is characterized by the aromas of black cherries, wild blackberries, ripe raspberries and blueberries. This intense fruit is underlined by spicy components, delicate roasted aromas and violets. It appears full-bodied on the tongue long finish and an elegant tannin structure.

ANALYSE:

Alcohol: 13,5 % vol.
Residual Sugar: 0,4 g/l
Acidity: 6,0 g/l
