Winemaking details

Gently pressing, strict purification of musts, fermentation with selected yeasts under temperature controlled conditions, storage in stainless steel tanks until bottling.

Closure:	Stelvin Screw Cap
Bottle in ml	750
Bottle in gram	1159
Bottle height & diameter	29.5 cm / 8 cm
Packing per Case	12
Case Dimensions	35.8 x 26.4 x 29.8 (cm)
Case Weight in Kg	15.2

About: Bordered by Rheinhessen on the north and France on the south and west, the Pfalz's vineyards sweep across this remarkably pretty, peaceful land for nearly 90 uninterrupted kilometres. Visitors driving through the sea of vines along the German Wine Road, enjoy the tree-covered Haardt mountain range, castle ruins, fruit trees, and old walled villages of half-timbered houses.

Vintage Notes: Vintage Notes: The 2021 harvest, more so than in previous years, was characterized by an enormous influence of regional and local weather conditions on the growth and ripening of our vines and grapes. Thanks to the excellent harvest management of our growers and the winemaking team the wines have a very pleasant aromatic profile, classic flavour and good aging potential.

Tasting Notes: Easy, open style with luscious dark fruit shining throughout complemented by fine cocoa tannins.

Vineyard Notes: Loam is prevalent, often in a mixture with other soil types, such as loess, chalk, clay, colored sandstone or sand.

Pairing Notes: Enjoy with pasta and pizza as well as barbecues. Serve slightly chilled at 60F-65F
