Terroir:	The grapes are grown in steep vineyards in the Mosel and Ruwer valleys with optimum exposition and slate soil.	
Vinification:	The grapes are harvested by hand, then gently pressed and fermented in stainless steel in a controlled manner. The wine then matures on the full yeast, because time and patience pay off.	
Description:	The spiciest, wildest nose of all Karthäuserhof wines of the vintage and the densest, juiciest fruit. Very pure, no trace of honey or overripeness, just a lot of fruit and wet stone, coated with melty texture and fresh acidity. Long fruit reverberation without any dominance of sweetness. Great ripening potential.
