Terroir: The grapes for our VDP.Grosstes Gewächs come from our exclusive monopole Grand Cru site *Karthäuserhofberg*. It faces south by southwest and covers almost 20 hectares with a slope of up to 55%. The unique microclimate and because of the high iron concentration pink-copper-colored Devonian slate, make it the perfect place for the production of high quality Rieslings.

Vinification: The grapes come mainly from our oldest plot in the Karthäuserhofberg called "Kronenberg" with about 80 year old vines. The grapes were all picked by hand, carefully brought to the cellar, briefly crushed and then put on the press straight ahead. The fermentation took place with natural yeasts partial in oak barrels and stainless steel. After fermentation the wine is allowed to mature on the full yeast for at about twelve months, release date of our GG is not until after two years – Patience always pays off in wine and winemaking.

Description: The wine shows a ripe and aromatic nose of pineapple, almond, pear, mirabelle, some buttery elements and honeyed yellow fruits. It proves delicately fruity and creamy on the juicy yet fresh and citrus-driven palate with a finish which is nicely aromatic and full of presence.
