Vineyard:	Eitelsbacher Karthäuserhofberg
Style:	sweet
Analysis:	Alcohol: 9,0 % Vol. Residual sugar: 37,0 g/l Acidity: 7,7 g/l
EAN on bottle:	4033513004209
Closure:	Natural cork
Terroir:	The grapes for our special quality wines (Prädikatsweine) come from our exclusive monopole site <i>Karthäuserhofberg</i> . It faces south by southwest and covers almost 20 hectares with a slope of up to 55%. The unique microclimate and the iron-concentrated, pink-copper-colored Devonian slate make it the perfect place for the production of high quality Rieslings.
Vinification:	Harvested early October, all grapes were picked by hand gently pressed and fermented in stainless steel. After a long lees contact of about six months - patience always pays off in wine and winemaking – the wine was bottled in May 2021.
Description:	The spicy notes of the spontaneous fermentation dominate in the first moment. But then fruity notes appear (peach, grapefruit, white currants) and the slate literally pushes out of the glass. Very juicy and tightly woven on the palate, with invigorating acidity. A Kabinett that will continue to reveal new facets the next two decades.
