About the Winery

Weingut Reinhold Haart lies only a few meters from the Mosel river, on the romantic, peaceful Ausonius riverbank. Immediately behind the family's estate, the Piesporter Goldtröpfchen vineyard begins its uphill climb, and only a few steps from the winery are the remains of the first and oldest Roman grape pressing house that has been unearthed along the Mosel. The Haart family's viticultural tradition has been documented since 1337.

Vintage Notes

The start of the vintage was quite normal until the very dry and very hot summer months. A little rain in late August, at a point when photosynthesis was at a near standstill, the vine literally was invigorated - along with cool harvest weather it showed us tricks never thought possible. The grapevine's amazing ability to adapt during the summer of 2015 demonstrated its special status among all cultivated plants. A great Vine & Wine year!

Tasting Notes

Delicate bouquet of ripe peach and tropical fruits, mixed with the fresh slate aroma typical for Mosel-Riesling. Complex fruit on the palate with blackcurrant, red berries and spices. The mineral acidity keeps the balance of fruit and sweetness.

Vineyard Notes

The vineyard is a south facing slope of loamy grey slate soil above the village of Piesport. Even in hot and dry vintages water supply is sufficient due to the woods above the vineyards. Yields are kept very low (around 50hl/ha) to achieve a maximum of flavor.

Pairing Notes

Served at 9°C it will make a great aperitif or a wonderful companion for aromatic, not or very spicy dishes. After a few years of cellaring, aged Riesling is a delicious match to all kinds of food.
