About the Winery

The Mönchhof estate is mentioned first as belonging of the Cistercian abbey of Himmerod in the Eifel in 1177. After the Secularisation under Napoleon the family Eymael bought the estate on an auction in Paris in 1804 from the French state.

Vintage Notes

2020 was a relatively warm and good vintage. All regular qualities could be harvested. After a warm and sunny early spring the vines began to sprout buds in April. Flowering occurred early at the end of May. The harvest period lasted from late September to the third week of October.

Tasting Notes

Pristine aromas of very ripe pear, apple, and honey melon, slight salinity and dark earthy notes typical for the Prälät. On the palate concentrated and wide, juicy, candied ginger, sweet lime, white pepper, with an excellent backbone of acidity.

Vineyard Notes

Erdener Prälät, one of the Mosel's most prized vineyards, very steep, small terrace of wines surrounded by huge slate rocks, 80 year-old-vines, blue Devonian slate soil with iron deposits, full southern exposure

Pairing Notes

Enjoy with a selection of cheeses or with any kind of creamy desert, very age-able (50 years+), only gets better with time
