

2017

Pinot Noir “Heydenreich”

VDP.Großes Gewächs
Deutscher Qualitätswein trocken

The vineyard:

After the Alsatian Weißenburg inclined to the south above the location VDP.Großes Gewächs "Sankt Paul".

The soil is based on a large limestone rock with a very low circulation of clayey loamy topsoil.

The vinification

The grapes were carefully selected by hand, destemmed and fermented on the mash. After three weeks of fermentation in open oak vats they were gently pressed. The following maturation were for 18 months in small oak barrels. The filling was done without filtration and fining of the wine.

The wine:

Intense and dense ruby red.

Wonderful scent of blackberries, cherry, pipetobacco, vanilla and bittersweet chocolate. Strong tannin, punchy yet elegant and flattering in the mouth with endless play and elegant reverberation.

Great storage potential.

Alcohol:.....	13,5 % Vol.
acidity:.....	5,9 g/l
residual sugar:.....	0,3 g/l
drinking temperature:.....	15-17 °Celsius
