“Petit Rosé”

VDP.Gutswein
Deutscher Qualitätswein

The vineyards:

Grown around Schweigen on the German and Alsatian side on sandstone and limestone soils. Age of the vines between 10 and 50 years.

Vinification:

Blend of Meunier, Portugieser and Pinot Noir.

The grapes were carefully selected by hand and gently juiced after a short maceration period. The restrained fermentation and the further expansion took place in stainless steel tanks. After 5 months on fine lees and gentle filtration it was bottled in February 2020.

The Wine:

Its lively acidity in combination with subtle fruit sweetness and its elegant aromas of fresh stone fruit, rosehip, citrus, raspberry and yellow fruits make it a perfect, uncomplicated to enjoy terrace wine and food companion.

Actual alcohol:.....	11,5 % Vol.
Acidity:.....	7,7 g/l
Residual sugar.....	9,4 g/l
Drinking temperature:..	7-10 °Celsius
