## **“Petit Rosé”**

VDP.Gutswein

Deutscher Qualitätswein trocken

### **The vineyards:**

Grown around Schweigen on the German and Alsatian side on sandstone and limestone soils. Age of the vines between 10 and 50 years.

### **Vinification:**

Blend of Dornfelder, Meunier, Portugieser and Pinot Noir. The grapes were carefully selected by hand and gently juiced after a short maceration period. The restrained fermentation and the further expansion took place in stainless steel tanks. After 8 months on fine lees and gentle filtration it was bottled in June 2022.

### **The Wine:**

Its lively acidity in combination with subtle fruit sweetness and its elegant aromas of fresh stone fruit, rosehip, citrus, raspberry and yellow fruits make it a perfect, uncomplicated to enjoy terrace wine and food companion.
