

2021 SPÄTBURGUNDER ROSÉ dry

VDP.Gutswein Bio/Organic

Soil: Loess loam

Vinification: Natural Sedimentation
Fermented in stainless steel

Analysis: Alcohol 10,5 %
Acidity 6,1 g/l
Residual Sugar 0,8 g/l

Character: Salmon coloured in the glass. This wine lives up to its name - delicately fragrant and fruity, herbal notes and freshness. It is an ideal summer wine for hot days and a great companion for light cuisine, appetizers or just by the glass.
