

2016 Iphöfer Julius-Echter-Berg Silvaner Beerenauslese

This 2016 Silvaner Beerenauslese originates from fully ripened, raisin-like, i.e. dried-up Silvaner berries – a special indulgence!

The golden colour and the deep reflexions, which you can already examine in the glass, promise an extraordinary experience in taste. On the tongue hints of candied fruits merge with creamy caramel and light notes of honey – a unique mélange of fruit and sweetness – concentrated to perfection!

This Beerenauslese is an exclusive treat for those moments of superlative taste.

The American Wine Spectator awarded this wine with 94 points: *"Wonderful finesse and a velvety texture caress the palate in this very concentrated version. Supersweet and thick, displaying fabulous floral, honeyed, spicy, creamy character. Full-bodied and long, with an intense but inviting finish, Drink now through 2043."* (07/2019)

The internationally renowned wine critic Ronn Wiegand is full of praise: *"A beautiful Silvaner BA: complex and very elegant in character (lime, tangerine, peach, pear, pineapple, honey), it is light bodied, richly flavored, well balanced, and extremely long in the finish. Very TBA-like. Superb quality and value; can be aged for years."* (Restaurant Wine magazine 2019). And: *"The Silvaner BA is the greatest Silvaner I have ever tasted."* (09/2019)
