HANS WIRSCHING

2019 Scheurebe dry VDP.GUTSWEIN

In the Wirsching estate Scheurebe is well-known as a specialty. We are seen as the regional pioneer for this grape variety, for in 1952 Hans Wirsching was actually the first to plant this extraordinary varietal in Franconia. With our long-term experience we have become true experts in regards to this grape.

This Scheurebe wine is a delight due to its fresh and fruity bouquet. Exotic aromas such as grapefruit and mango in combination with a subtle, yet refreshing acidity make this wine nice to drink.

Fermentation is effected at a lower temperature in comparison to our classical wines bottled in the Bocksbeutel. In that way the carbon dioxide is preserved giving the wine its tangy character and pleasant freshness.

Herbal grapefruit aroma, lifted and zesty. Creamy, generous but with the zest of grapefruit. Terrific aperitif wine.
