

2019 Iphöfer Julius-Echter-Berg Riesling dry GRAND CRU

This Riesling Grand Cru from the top site Julius-Echter-Berg is one of our premium wines. The Julius-Echter-Berg promises concentrated and powerful wines with a strong character.

The distinctive mineral notes reflecting our terroir and the aroma of ripe peach define the character of this Grand Cru. Additionally, the fine hints of citrus notes provide a pleasant tension on the palate. The crisp, but subtle acidity gives the wines its delicate structured body and truly animates to enjoy the next sip. Thanks to its lingering finish it allows an even longer enjoyment.

To create such a premium wine a great deal of work was necessary in both the wine cellar and the vineyard. In the early stage of ripeness, for example, we divided each grape to ensure perfect conditions for the future vegetation process and to reduce the number of grapes on the vine. Enabling the growth and efficiency of the vine to concentrate on the few grapes left.

Enjoy this great wine together with fine dishes such as fish, vegetables or light meat. It is also a perfect match to creamy sauces.
