

2020 Iphöfer Scheurebe dry VDP.ORTSWEIN

The grape variety „Scheurebe“ is a specialty at the Wirsching wine estate. We are known as the local pioneer of this variety, because in 1952 Hans Wirsching was the first to plant the Scheurebe in Franconia. Our longtime experience has turned us into real Scheurebe experts.

This Scheurebe dry fascinates with its fine and aromatic bouquet. The noble play of exotic flavours such as pineapple and passion fruit together with a light acidity are an exceptional enjoyment!

Our Scheurebe suits perfectly to aromatic dishes like fruity or spicy meals from the Asian cuisine or curry foods. It also goes very well with aromatic cheese or just as a fine treat after a good meal.

Our VDP.ORTSWEINE („village wines“) are classic Franconian wines. They are dry, feature their crisp character on the palate showing a long finish and elegance. The typical taste of Franconia!
