

2021 Iphöfer Scheurebe dry VDP.ORTSWEIN

"An exotic, fruity treat!"

The Scheurebe is a speciality whose aroma reminds some people of a Sauvignon Blanc. However, it is much fruitier, although in our house it is vinified dry.

Scheurebe is a cross between Riesling and Bukettrebe and is very important to us: We are considered a regional pioneer of this grape variety, because in 1952 Hans Wirsching planted the very first Scheurebe in Franconia in the "Kronsberg". These many years of experience make us true experts of this grape variety.

This Scheurebe dry fascinates with its fine and aromatic bouquet. The noble play of exotic flavours such as pineapple and passion fruit combined with a fine, subtle acidity make it an expressive and exceptional enjoyment.
