About the Winery

For centuries, our family has been making wine along the Rhine on the legendary Grand Cru sites of the famed Roter Hang. Working with warm Rheinhessen vineyards that range from steep to steeper, we are proud to cultivate biodynamic Riesling and Pinot Noir on organic-certified sites in the dry-farmed landscape between Bodenheim and Oppenheim. Since 2006, I have managed my family estate together with my husband. I'm a nature lover, oenologist, businesswoman and mother of two.

Vintage Notes

After three sun-drenched vintages - 2018, 2019 and 2020 - the 2021 vintage gave us reason to think back to times gone by. In terms of weather conditions, 2021 can best be compared to the 2002 vintage, which also produced magnificent Riesling qualities, but which were only possible through intensive manual work and nerve-racking waiting. In 2021, the harvest dragged on well into November before the window of opportunity for healthy grapes for dry wines closed again in Rheinhessen.

Tasting Notes

Pale yellow with shimmering hues. The distinctive nose grounds this wine firmly in its origins — the Roter Hang. Born of the site's famous Rotliegend (a specific Permian mix of red sandstone and clayey slate), it reveals fine yellow fruit redolent of peactrine and red

Vineyard Notes

Our Nackenheim sites draw their names and character from the bank of clayey slate that drives to the surface there, running for a stretch before disappearing back below to the south of Nierstein

Pairing Notes

Our Nackenheim Riesling is an ideal partner for creative vegetarian cuisine, Mediterranean fish dishes.
