About the Winery

Weingüter Wegeler is a family-run business founded in 1882. The fourth generation of the Wegeler family continues the long tradition, supported by Ralf Frenzel as speaker of the owner families. All operations are run by managing director Richard Grosche. Weingüter Wegeler has two winery sites on the Rhine and Mosel rivers, all of which focus on Riesling. In 2007, the addition of the 5-hectare Krone estate at Assmannshausen contributed a small but fine share of Pinot Noir to the line-up.

Vintage Notes

The 2008 wines from the Moselle region impress with their minerality, elegance and crisp acidity. From wines for every occasion, to mineral-dry top growths and noble sweet selections, the 2008 vintage shows itself. In the summer, however, there was also serious hail damage. The main Riesling harvest began on the Mosel on October 13.

Tasting Notes

Yellow fruit and slate on the nose, almost youthful nose without disturbing tones of age or maturity. The taste is very juicy, completely uncomplicated. The sweetness is pleasant and very nicely integrated. The sweet-sour game is harmonious. A juicy everyday wine.

Vineyard Notes

A cuvée from our good to very good locations in the Middle Moselle in Bernkastel, Wehlen and Graach. No purchased wines are used for this wine (as for all Wegeler wines), only self-produced grapes from our own vineyards.

Pairing Notes

Selection of raw milk cheeses with mango chutney and fruit bread
