Bottle in gram	1460g
Bottle height & diameter:	350 x 78 mm
Packing per Case	6 bottles per Case
Case Dimensions	352x243x161
Case Weight in gram	9400
Cases per Pallet	60

About the Winery

Weingüter Wegeler is a family-run business founded in 1882. The fourth generation of the Wegeler family continues the long tradition, supported by Ralf Frenzel as speaker of the owner families. All operations are run by managing director Richard Grosche. Weingüter Wegeler has two winery sites on the Rhine and Mosel rivers, all of which focus on Riesling. In 2007, the addition of the 5-hectare Krone estate at Assmannshausen contributed a small but fine share of Pinot Noir to the line-up.

Vintage Notes

Drought, turbo harvest and top qualities. After a warm and sunny spring, the vines already showed the first green shoots in April. Just in time for the Ice Saints in mid-May, however, the weather turned frosty once again, causing severe frost damage and considerable yield losses. The vines developed their blossoms as early as the end of May - eight to ten days ahead of the average of the last 30 years. Accordingly, the main wine harvest started early in many growing regions, as early as the end of August.

Tasting Notes

The 2020 Doctor GG offers a pure, fresh and spicy, intense and complex bouquet of ripe, yellow-fleshed fruits with iodine slate notes and pineapple aromas. Full-bodied, refined and rich on the palate, this is a crystalline, saline and very elegant Doctor with round and almost lush fruit and a very long and tensioned finish. Far too young to be enjoyed today, this is a promising wine to be aged for three or more decades. This 2020 shouldn't be opened before 2025. 13% stated alcohol. Natural cork. Tasted in August 2022.

Vineyard Notes

The legendary Bernkasteler Doctor rises with its steep slope directly above Bernkastel at a height of 125 meters to 200 meters above sea level. According to legend, it got its name from Archbishop Boemund II, who, having healed from a serious illness, described this situation as the "true Doctor". Internationally, Doctor wines are always at the very top. With 3.26 ha one of the smallest individual vineyards in Germany.

Pairing Notes

Crispy Iberian pork belly with honey ginger varnish and Thai mango
