

2010 KARTHÄUSERHOF Alte Reben
Riesling Spätlese trocken - 0,75 Liter

fine slate aromas, ripe fruit aromas, mineral depth

A dry Spätlese from the best site of the „KARTHÄUSERHOF“

Dry to off-dry wines from quality wine to late harvest quality from traditional and high-quality plots that are planted with terroir-typical grape varieties. Yield limitation to approx. 60 hl / ha, fully ripe grapes, selective hand-picking.

The scent reveals the subtleties of the Karthäuserhofberg. Fine slate aroma paired with delicate fruit aromas of apricot, red vineyard peach and some passion fruit. This wine is characterized by its mineral depth without losing its animating freshness. A strong food accompaniment goes well with this expressive Riesling; e.g. grilled lamb, entrecôte or a mature camembert.
