2010 Karthäuserhof Riesling Schieferkristall Kabinett – trocken

Typical Riesling fruit with hints of peach, pear and quince. Light as a dance on the tongue with a fine play of sweetness and sourness. Refreshingly light, but at the same time with substance.

This Riesling is always present on the tongue, but does not come to the fore. Therefore, it accompanies pasta and light salads wonderfully. And, very classic: asparagus!
