Terroir: The grapes come mainly from our monopole vineyard site Karthäuserhofberg, but deliberately also from Mertesdorf and Waldrach (all in the Ruwer valley) in order to bring together the entire spectrum of the different terroirs of Karthäuserhof into our estate wine.

Vinification: The grapes were carefully brought to the cellar, briefly crunched and then put on the press straight ahead. The fermentation took place with natural yeasts in stainless steel tanks. After fermentation the wine is allowed to mature on the full yeast for several months – Patience always pays off in wine and winemaking.

Description: The Schieferkristall combines the strengths of the region perfectly: low alcohol, cool fruits, lots of minerality. Very fresh with delicate citrus notes, white currants, a hint of litchi with slate and spiciness, light-footed and powerful at the same time.
