

# SIMONROTH®

## SPÄTBURGUNDER

DRY  
2020

SIMONROTH® is the brand name for our high quality range of red wines, established with our first vintage in 1997. The term derives from a medieval settlement called "Immosrod", founded at the foot of the Kappelberg. In chronicles, the surrounding vineyards are called "the best land of the country". Still, the grapes for these valueable red wines grow in the best VDP-classified vineyard sites.

**VARIETALS**  
Pinot Noir

**TASTE + STYLE**  
The wine is ruby red in the core with a cherry red edge.  
Very fine and dense in the nose. At first autumn foliage, violets toasted almonds and bourbon vanilla, followed by clear fruit notes such as redcurrant and black cherry.

An elegant acidity and fine-grained tannins result in a dense and straight structure. Lots of freshness and length, the wine draws from its minerality with subtle iron notes. Perfectly integrated oak structure.

**RECOMMENDATION**  
Pair with fine autumnal cuisine, game, wild poultry, beef, stews, grilled fish, mushrooms

**SOIL**  
Coloured marl, reed sandstone

**CERTIFICATION**
