

Steinwiege[®]

MUSKATTROLLINGER

ROSÉ DRY
2022

Steinwiege is a protected brand for our pure varietal wines in VDP.Gutswein quality of VDP-classified vineyards.

Our demands on this line are very high. Low yields, absolutely healthy grapes and working out the respective character of the grape variety are a matter of course for us and ensure an expressive high-grade basic quality.

VARIETALS

Muskatrollinger

TASTE + STYLE

Bright rosé colour.

Fine notes of lychee, rhubarb, vineyard peach, blood orange, as well as rose petals, nutmeg and orange zest are noticeable on the nose. Finely spicy notes of nutmeg, white pepper and cedar wood accompany the fruit.

The fragrant, fruity aromas are unobtrusive and refreshing thanks to the light-footed, lively acidity and freshness as well as the moderate alcohol. The fine-grained tannins ensure the juicy structure.
