## SAUVIGNON BLANC

DRY  
2022

Steinwiege is a protected brand for our pure varietal wines in VDP.Gutswein quality of VDP-classified vineyards.

Our demands on this line are very high. Low yields, absolutely healthy grapes and working out the respective character of the grape variety are a matter of course for us and ensure an expressive high-grade basic quality.

### VARIETALS

Sauvignon Blanc

### TASTE + STYLE

Bright yellow with green reflections in the glass.

Vegetal aromas of freshly cut grass, spring flower field, stinging nettle and garden herbs are rounded off with fruity notes of ripe lemons, kiwi, gooseberry, star fruit and young pineapple.

Full fruity body, animating acidity, with a delight spicy, refreshing structure. Nice drinking flow!
